Huawei is a leading global provider of information and communications technology (ICT) infrastructure and smart devices. With integrated solutions across four key domains which are telecom networks, IT, smart devices, and cloud services. Huawei is committed to bringing digital to every person, home and organization for a fully connected, intelligent world.

As one of Huawei's three business groups, Huawei Consumer Business Group is the leader of all-scenario AI life. It covers smartphones, PC and tablets, wearables, mobile broadband devices, family devices and device cloud services. Huawei Consumer Business Group is dedicated to delivering the latest technologies to consumers and sharing the happiness of technological advances with more people around the world.

- **Cooperation Mode and Content**

After friendly negotiation, both parties agree to carry out an online training course/session on Mobile Application Development in the HUAWEI Mobile Services (HMS) ecosystem for the students of the Institute.

- **Objective/Purpose:**

The key objective is to provide a learning and training platform to students of the Institute who are interested, dedicated and passionate to learn and do some innovation in the space of mobile app development using HMS. This training program will provide an opportunity for the students to upgrade their skills and showcase their hidden talent by coming out with innovative and smart mobile apps that can have a significant impact on society, the nation and the entire humanity.

The most active and top performers or innovators will be recognized under HSD Program and will be rewarded in the form of certificate for their hard and smart work to continue represent the HMS community and conduct regular community activities.

- **Plan of Action/Scope of Work:**

Tasks and Responsibilities from Huawei side:

- The **Future of App Industry Webinar** will be conducted by Huawei experts for all students.
- Webinar includes industry insights, developer account registration, HMS capabilities and HMS Foundation course details.

- All the students should create their Huawei Id for accessing HMS Kits and other services for building mobile applications and deploying in AppGallery.
- Students who completes the entire course and successfully deploy an application into AppGallery are eligible for a certificate.
- The certificates will clearly highlight the logo of Huawei along with the name of the participant, course title, appropriate seal and signatures in digital format.
- Only soft copies of the Certificate (e-Certificate) to be provided and no hardcopies.
- Top performing students can support in mentoring other students and resolving an initial set of queries.
- The Institute can recommend selective potential students for the role of Huawei student developer organizer, but the final call has to be taken by the HMS team.

Future Plans:

- Based on the successful execution of this training program we can plan for an extension of the training sessions with some advanced tutorials having more and more hands-on sessions.
- Institute can adopt HMS content in Curriculum
- Huawei can provide an opportunity for suitable students to become Huawei Developer Experts and Huawei Community Leaders.

Curriculum system construction

In order to achieve the goal of cultivating practical and complex talents, the curriculum design and adjustment of talent cultivation plan are based on the needs of enterprises and industries. Based on HMS and HarmonyOS technologies, build a flexible curriculum system, integrate the curriculum into the college teaching system, set corresponding credits, and jointly develop teaching plans and talent cultivation solutions that meet enterprise requirements. Explore a teaching model driven by industry requirements and centered on engineering practices. The curriculum of teaching planning emphasizes the foundation, strengthens practical technology, case teaching and engineering practice.

Feedback Collection Mechanism:

Wignan
 PRINCIPAL

Each party agrees and acknowledges that in its performance of its obligations under this Agreement, it is an independent contractor of the other party, and is solely responsible for its own activities. Neither party shall have any authority to make commitments or enter into

contracts on behalf of, bind or otherwise obligate the other party in any manner whatsoever except as expressly stated in this Agreement.

13. Severability

If the provision of this Agreement is held to be invalid under any applicable statute or rule of Law, it shall be, to the extent, deemed omitted, and shall not affect the remaining clause and portions of this Agreement.

14. Waiver

No delay, omission, or failure to exercise and right or remedy provided for in this Agreement shall be deemed to be a waiver thereof or an acquiescence in the event giving rise to such remedy, but every such right or remedy may be exercised, from time to time, as may be deemed expedient by the party exercising such right or remedy.

15. Force Majeure

- a. The term "Force Majeure" as employed herein shall include but not limited to national disaster, hostilities or wars, economic downturn, revolutions, acts of public enemy, restrains of any de jure or de facto Government general strikes or other labour disturbances, any kind of fire, explosion or any other similar situations beyond the reasonable control of the affected Party.
- b. Neither party shall be deemed responsible for delays or failures on performance resulting from acts beyond the control of such party. In the event of either Party being rendered unable by Force Majeure event to perform any obligation required to be performed by it under this Agreement, the relative obligation of Party affected by such Force Majeure event shall upon notification to the other Parties be suspended for the period during which such cause and its consequences last.
- c. In case the Force Majeure condition continues, and the Parties cannot reach amicable settlement for more than six (6) months, then the Party not being involved in such Force Majeure event may terminate this Agreement by giving written notice to the Party involved in the Force Majeure, without prejudice to any of its rights conferred

hereunder, including the right to receive any payment which is due and payable at the time of giving such notice.

In the event of the Force Majeure event, each party shall immediately consult with each other in order to arrive at an equitable solution.

16. Indemnity

Each Party ("Indemnifying Party") shall defend, indemnify, and hold the other Party, its directors, officers, employees and agents (collectively "Indemnified Party") harmless from any and all third party liabilities, damages and claims for damages, suits, recoveries, judgments or execution, and expenses (including litigation costs, expenses and attorney's fees) which may be suffered by, accrued, against, charged to, or recoverable from the Indemnified Party by reason of or in connection with the Indemnifying Party's acts or omissions, negligence or wilful default of the provisions of this Agreement.

17. Disclaimer of Warranties

- a. FutureWiz expressly disclaims all warranties of any kind whether express or implied.
- b. FutureWiz makes no warranty that the deputed trainers will meet PARTNER's requirement, or the services provided by them on behalf of FutureWiz shall be timely, secure or neither error free, nor does FutureWiz make any warranty as to the results that may be obtained or that the material provided will be free from errors or bugs. It is however acknowledged by FutureWiz that the trainer provided to FutureWiz will be well qualified.

18. Amendments

No modification or amendment of this Agreement or any of the terms or conditions hereof shall be valid or binding unless made in writing and duly executed by the Parties.

19. Further Assurance

The Parties shall do, execute or perform all such further deeds, documents, assurances, acts and things as may be reasonably required by the other Party to carry out the provisions of the Agreement into full force and effect.
