Minutes of Meeting

With reference to the circular dated on 04th May 2018, The DAC members has been assembled at the CSE Department HOD Room to discuss the following agenda.

The Agenda for the meeting is given below.

1. Review on action plan of previous meeting.
2. Discussion on Framing and reviewing Course Outcomes.
3. Review on Feedback action taken report of A.Y 2017-18
4. Selection of electives
5. Academic planning for the next year
6. **Feedback Analysis of Stakeholders.**
7. Refinement of PEO & PSO, if any

The following points were discussed during the meeting and the minutes were recorded as follows.

The meeting was presided over by Dr. Gautami Latha Anga, Assoc.Prof., & HOD extended a warm welcome to Department Advisory Committee members and confirmed the minutes of previous meeting.

Agenda Point 1: Review on action plan of previous meeting:

Action Taken Report on Last Meeting held.

Suggestion:

Recommend to conduct a various guest lectures, workshops on Research Methodologies, IPR, and Entrepreneurship and on Technologies like Data Analysis and Interpretation.

Action Taken:

Various guest lectures, workshops on Research Methodologies, IPR, Entrepreneurship and on Technologies like Data Analysis and Interpretation were been conducted successfully.

Agenda Point 2: Discussion on Framing and reviewing Course Outcomes:

1. The HOD welcomed all the faculties who were gathered to take part in the discussion and she also informed that the Regulation of III year II Semester student have changed from R15 to R16 and for IV year II Semester students the Regulation have changed from R13 to R15.

2. Dr. Jangala Sasi Kiran let the faculties know that there were no considerable changes in subjects in R13 and R15; hence we could follow the same COs as those have created a positive student feedback.
3. Mrs. V Indrani said that in this year the JNTUH University had introduced 3 labs for the II year students and an open elective too.
4. The HOD and other faculty member decided to follow the existing CO for Operating System Lab.
5. All the faculties participated in the meeting approved and appreciated since this will help students to understand the Indian society in a better manner.
6. The HOD also said that C Programming lab is introduced for the ECE students and the concerned faculty has to follow existing CO.
7. The HOD concluded the meeting by insisting all the faculties to follow the existing COs for all other subjects. She also insisted to strictly follow the teaching methodologies defined in Bloom's Taxonomy.

Agenda Point 3: Review on Feedback action taken report of A.Y 2017-18:

HOD presented the Feedback action taken report of A.Y 2017-18 and reviewed by Department Advisory Committee members.

Agenda Point 5: Academic planning for the next year:

1. The Principal addressed the members of the DAC committee and ask to put forward the member's opinion for the improvement of the result of the department in the upcoming year after analyzing the result.
2. Dr. Jangala Sasi Kiran came up with an opinion that Python Programming is one of the emerging programming in DataMining and the JNTUH syllabus is just covering the basics of thePython. He proposed to conduct a guest lecture to make the students aware of the topic in a better way.
3. By taking Dr. Jangala Sasi Kiran opinion into consideration all the members agreed to conduct a *guest lecture on* Python Programming Language for the III year students.
4. Mrs. V Indrani said that the college would like to promote the entrepreneurial skills in the student and for that it was decided to conduct a *seminar on Role of MSME for Small Scale Industries Start-up* to promote awareness among them.
5. Dr. K. Purnachand proposed to conduct a *Short term course on" MySQL"* with a motive to expose students to some practical insights of the language which will motivate them to learn further.
6. The HOD also agreed to Dr. K. Purnachand opinion and added that learning the language SQL and familiarizing software related to that will be helpful for their career. The committee thus decided to conduct a short term course on" MySQL" to II year students.
7. As the students need to prepare mini and major projects in the final year, the committee had decided to conduct a *3 – Day Workshop on Android Application Development* for the III year students. It was also decided to arrange a *short term course on Android* for the IV year students.
8. In Order to fill the curriculum gap an important programming language which is in use popularly, Dr. Jangala Sasi Kiran suggested to take up an Addon *Deep Learning using Spyder IDE Environment*, which gave an idea of application and internet connectivity.
9. The committee agreed to Dr. Jangala Sasi Kiran opinion and decided to implement the addon course on the same topic.
10. Mr. S. Krishna Kishore, Developer, Informatics said that it will be helpful for the students if we arrange a Seminar on "**Knowledge management and Entrepreneurship**". He also added that this will acts as a key role to get a deep idea about it to the students.
11. The committee agreed to Mr. S. Krishna Kishore opinion and decided to conduct the seminar on the same topic.

Agenda point 6: Feedback Analysis of Stakeholders:

Feedback has been received from various Stake holders like Students, Teachers, Employers, and Alumni.

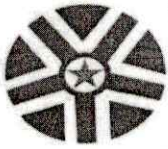

The following suggestions are given by the DAC members to address the feedback given by the stake holders to improve the curriculum.

S. No	Stakeholders	Feedback	Suggested Actions
1	Students	According the student's feedback, ability to support higher learning is less.	Conduct Awareness program on "Carrier to corporate"
2	Teachers	Sufficient steps in providing assistance to slow learners must be improved. New Technologies like Ethical Hacking should be included in curriculum to enhance student knowledge.	Organize a Workshop on "MATLAB"
			Plan Add on course on Android app development
			Conduct Add on course on Advanced Computing with Python programming Language
			Send a Proposal to JNTUH University to include New Technologies like Ethical Hacking in curriculum.
3	Employers	As per analysis of Employers feedback, curriculum should promote team work mentality.	Conduct A program on "Impactful Presentation Skills"
			Organize Workshop on Email Etiquette
4	Alumni	According to Alumni feedback, institute-Industry tie ups should be more to improve the technical skills of the students.	Plan Add on course on Deep learning using Spyeder IDE Environment
			Plan Add on course on AI Automation and Testing
