SUBJECT: "EXPLORE"- COIGNs 360⁰ Asset Development Program

Dear Sir,

Greetings from Team COIGN

This is further to our discussions with regard to the Campus Recruitment Training Program for the 2nd year students of your college, we take the privilege in sending this well designed and perfectly structured program for your perusal. We have designed the training module to cater all your requirements.

"EXPLORE" is aimed and designed to bring an overall change in the process and system of Campus Recruitment Training at Colleges. It shall surely work in line with the current trends of the industry and enhance the Technical skills of the students like C programming, Data Structures, JAVA, Python etc to make them top notch professionals in terms of their technical ability that will help them to grow as successful individuals in this ever growing and technology driven competitive world.

"We develop assets, and don't merely train them."

ABOUT COIGN

COIGN is the abode of free thinking professionals, from diverse fields with varied experience. COIGNs main ideology is to impart knowledge that paves way to corporate hallways.

OUR SERVICES:

TRENDS IN CAMPUS PLACEMENTS

- Tier-I institutes saw an average campus placement figure of 75%.
- The number for Tier-II and Tier-III institutes was only 38%.
- On-campus fresher hiring has seen a drop of nearly 21% in Tier-II and Tier-III institutes over the last two years.
- The number of companies visiting these campuses has declined by nearly 30%.
- The drop in fresher intake from campuses by the IT sector and by start-ups in the last two years has significantly impacted campus placements.

OUR OBSERVATION

- Focus on Algorithms and Problem solving skill has increased exponentially.
- Companies are conducting National Level Recruitment Tests to hire freshers.
- The recruitment Criteria has changed drastically, Technical skills has become an important criteria to recruit a fresher.
- Bulk Recruitments from single college has decreased.
- INFYTO selects students purely on their Technical Ability.
- Students from Remote colleges now have equal chances of getting placed in top companies.

THE PROBLEM
