Report on "Shaping tomorrow: Girl leading Today"

An awareness program on "Shaping tomorrow: Girl leading Today" is held on 10.04.2021 at Edulabad village, ZPHS scheduled create awareness on girl child education in the society. The program started at 11 a.m. About 150 took part in this programme. students have explained an educated girl can educate their entire family. For the improvement of Indian society or the complete world, girls should be well educated. On some days for the development of Indian and India society girls are working better.

The programme was meant for educating the girl students who do not get proper education. Some issues like gender discrimination, female foeticide, empowerment of women, sexual harassment etc. were also explained in the programme. But the main focus of the programme was on the need of proper education in the life of girl children in rural . The guardians were made conscious of the value-based education for their girl children.. In short the entire programme was a great success.
