

ANNUAL E-GOVERNANCE REPORT:2020-21

E-Governance in the field of the educational sector has changed the way of administration. With the data and processes model of an educational Institution, makes the process easy, well organized and error free. This is designed to make the system user-friendly, time saving and cost saving also. It helps in improving transparency, providing speedy information, dissemination, improving administrative efficiency and public service in all the aspects of education. The institution was successful in implementing the following services in this year.

SNO	Name of the Service	Area of Operation
1	Website	Institution has a website to share the infrastructural, academics and placement information with its stake holders. It is also used to share all the circulars related to different activities being conducted from time to time and also to provide the results of the students and any updated news of the college
2	SMS Messenger System	To communicate with parents regarding their child's attendance and other performance information institution uses a SMS service. Also it is used to circulate information among the staff and stakeholders.
3	CCTV Surveillance	CCTV surveillance system to strengthen campus security. This facility offers a comprehensive range of solutions to secure campus infrastructure effectively.
4	Akshar(Accounting S/W)	This software allows to generate the account statements and provides us with the updated financial reports.

The Total Expenditure incurred towards **e-governance** during the year 2020-21 is **Rs.2,91,550/-**
