Respected sir,

Greetings from Vignan's Institute......

I am writing on behalf of the Department of Information Technology at Vignan's Institute of Management and Technology for women. Our students are keenly interested in visiting T-Hub in Hyderabad to gain insights into the startup ecosystem and witness the innovation work taking place there.

We have a group of 40 students who would like to visit T-Hub Campus, and we are hoping to schedule the visit for 12.04.2022 and the timing may be 9.00 a.m. to 4.00 p.m. We understand that visiting T-Hub is a unique opportunity, and we are eager to make the most of this opportunity.

We kindly request your assistance in organizing this visit and would be grateful if you could provide us with necessary information to make the visit possible. Specifically, we would like to know the dates and timings that would be suitable for a group visit, as well as any requirements or restrictions that we need to be aware of.

We are excited about this opportunity, and we believe that this visit would be a valuable learning experience for our students. Thank you for considering our request, and we look forward to hearing back soon.

Thanks & Regards

Mr. B. Phijik

Dear Sir/Madam,

      We would like to seek permission from your esteemed organization for a visit to T-Hub Hyderabad Campus on 12.4.2022 from 9.00 a.m. to 4.00 p.m. with a group of 40 students from the IT department, Second year. We believe that our students will have a valuable learning experience by visiting your campus and witnessing the innovative and creative work that your organization is known for. The visit will provide them with an opportunity to interact with industry professionals and understand the practical applications of their theoretical knowledge. We assure you that all necessary precautions and safety measures will be taken during the visit to ensure the safety of our students and your employees. Kindly grant us permission to visit your organization on the aforementioned date and time. We would be grateful for your cooperation and support in this matter.

Respected sir,

Greetings from Vignan's Institute......

I am writing on behalf of the Department of Information Technology at Vignan's Institute of Management and Technology for women. Our students are keenly interested in visiting T-Hub in Hyderabad to gain insights into the startup ecosystem and witness the innovation work taking place there.

We have a group of 40 students who would like to visit T-Hub Campus, and we are hoping to schedule the visit for 12.04.2022 and the timing may be 9.00 a.m. to 4.00 p.m. We understand that visiting T-Hub is a unique opportunity, and we are eager to make the most of this opportunity.

We kindly request your assistance in organizing this visit and would be grateful if you could provide us with necessary information to make the visit possible. Specifically, we would like to know the dates and timings that would be suitable for a group visit, as well as any requirements or restrictions that we need to be aware of.

We are excited about this opportunity, and we believe that this visit would be a valuable learning experience for our students. Thank you for considering our request, and we look forward to hearing back soon.

Thanks & Regards

Mr. B. Phijik

REPORT ON INDUSTRIAL VISIT TO

T-HUB CAMPUS, HYDERABAD

Dated: 13.04.2022

From

    The HOD

    Department of Information Technology

    VMTW, Hyderabad.

To

    The Principal,

    VMTW, Hyderabad.

    Sub: Report on Visit to T-Hub Campus, Hyderabad

Respected Sir,

I am writing this report to provide you with an overview of the visit that the second-year IT students of Vignan's Institute of Management and Technology for Women (VMTW) had to the T-Hub Campus in Hyderabad on 12th April 2022. The visit was organized as part of our efforts to expose students to industry practices and technological advancements in the field of Information Technology.

Objective of the Visit:

The primary objective of the visit to T-Hub Campus was to familiarize the students with the functioning and activities of a technology incubator and encourage their entrepreneurial spirit. T-Hub is one of India's largest startup incubators, known for its innovative ecosystem and support for emerging businesses. We aimed to provide our students with insights into the startup culture, collaboration opportunities, and the latest technology trends.

Preparation and Arrangements:

Prior to the visit, our faculty members collaborated with T-Hub representatives to plan the itinerary and ensure a smooth execution of the visit. Necessary permissions were obtained, and transportation arrangements were made for the students and accompanying faculty members. Students were briefed about the purpose of the visit and provided guidelines to make the most out of this learning opportunity.

Visit Highlights:

The visit to T-Hub Campus proved to be an enlightening experience for our students. The highlights of the visit are as follows:

1. Campus Tour: The students were taken on a comprehensive tour of the T-Hub Campus, which provided them with a glimpse of the state-of-the-art facilities and the vibrant working environment. They observed various startup workspaces, co-working areas, and innovation labs, creating a conducive atmosphere for collaboration and creativity.

2. Interaction with Startups: Our students had the opportunity to interact with several startup founders and team members who were working within the T-Hub ecosystem. These interactions allowed them to gain insights into the challenges faced by startups, the importance of innovation, and the process of transforming ideas into marketable products or services.

intelligence, blockchain, and Internet of Things (IoT). These sessions were conducted by industry experts and provided valuable knowledge and exposure to the students.

4. Networking Opportunities: The visit also facilitated networking opportunities for our students. They were able to engage in meaningful conversations with industry professionals, startup founders, and fellow students from other educational institutions. These interactions enabled the exchange of ideas, experiences, and potential collaborations.

5. Idea Validation Sessions: T-Hub organized idea validation sessions where our students had the chance to present their own ideas and receive feedback from experienced mentors and entrepreneurs. This exercise encouraged critical thinking, problem-solving skills, and instilled confidence in our students' innovative abilities.

Conclusion:

The visit to T-Hub Campus was highly successful in achieving its objectives of exposing our second-year IT students to the startup ecosystem and fostering an entrepreneurial mindset. The students gained valuable insights into the world of startups, emerging technologies, and the processes involved in transforming ideas into successful ventures. We believe that this visit has broadened their horizons and inspired them to explore entrepreneurship as a career path.

We extend our gratitude to T-Hub for their warm hospitality, organization, and for providing this wonderful learning opportunity to our students. We also thank our faculty members for their support and guidance throughout the visit.

We are confident that such experiences will contribute to the holistic development of our students and prepare them for the challenges and opportunities in the IT industry.
