**FEEDBACK ANALYSIS PROCESS ON DESIGN AND REVIEW OF ACADEMIC PERFORMANCE, AMBIENCE OF THE INSTITUTION AND SYLLABUS AND IT'S TRANSACTION,**

Forms for taking feedback are prepared, reviewed and finalized by IQAC for different stakeholders at institute level. Feedback is collected from various stake holders (Student, Teacher, Employer & Alumni) at every department level and shall be analyzed by the respective Head of the Departments & Department Academic Committee. A report with the action plans to be implemented will be finalized by Department Academic Committee in all Departments and the same will be executed.

Institution regularly collects the feedback from the stakeholders on various times with respect to the curriculum and Ambience of the Institution for overall development of the college. Various stakeholders are mentioned below,

**(i) STUDENTS**

Feedback from students is collected after completion of each academic year.

**(ii) TEACHERS**

Teachers will periodically review the courses, which they are dealing with and provide feedback with suggestions for improvements, if any.

**(iii) EMPLOYERS**

Feedback from the employers is also collected from time to time.

**(iv) ALUMNI**

Feedback from Alumni is collected during the alumni meet at every department level.

S.No	Stakeholders	Frequency	Objective
1.	Student	Once per Academic Year	Design and review of Academic Performance, Ambience of the Institution and syllabus.
2.	Teacher	Once per Academic Year	Design and review of Academic Performance, Ambience of the Institution and syllabus.
3.	Employer	Once per Academic Year	Design and review of Academic Performance, Ambience of the Institution and syllabus.
4.	Alumni	Once per Academic Year	Design and review of Academic Performance, Ambience of the Institution and syllabus.
