Action Taken on Feedback System on Academic Performance and Ambiance of The Institution

Academic year 2021-2022

Action taken on feedback system on academic performance and ambiance of the institution in the academic year 2021-22. The feedback received from the Employers reflects that the latest technologies related to industry need should be offered to the students. The feedback by the students which was collected and analyzed also represents that new technologies should be taught to them which in turn would help them with higher studies or job opportunities. Analysis alumni feedback reflects the same, after identifying the curriculum gaps, Teachers suggested for new courses to be offered in the curriculum, considering these report has been prepared and submit to the Department Academic Committee for further response. The following are the various activities which were implemented in line with the suggestions given by the committees.

The following are the various activities which were implemented /planned toimplement in line with the suggestions given by the committees.

- The proposal was sent to JNTUH, Hyderabad for including new technologies /concepts / subjects in the upcoming curriculum so that the curriculum gaps identified by our teachers shall be addressed.

Add on /certificate programs offered during the Academic year 2021-22.

SNo	Name of Add on /certificate programs	Department	Offering Year
1	Renewable Energy Technology	EEE	2021-22
2	AI and ML in Signal and Image Processing Applications	ECE	2021-22
3	Design of Smart Antenna Systems and its importance	ECE	2021-22
4	Modern Chip Design and its Applications	ECE	2021-22
5	Challenges in System on PSOCs	ECE	2021-22
6	Certified Associate In Python Programming	CSE	2021-22
7	Data Analytical With R programming	CSE	2021-22
8	Building Internet Of Things Applications With Aurdino	CSE	2021-22
9	Advanced problem solving Techniques using C Programming	CSE	2021-22
10	Advanced java script for web programming	IT	2021-22
11	IoT security and privacy	IT	2021-22
12	Chatbot integration with messaging platforms	AI&ML	2021-22
13	Introduction to the java api for machine learning	AI&ML	2021-22
