Sub: - UP – Feedback on Curriculum – Course for Industry – req – Reg.

Respected Sir / Madam

Based on the feedback from different stake holders of this Institute, analyzing the feedback we are bringing few lines to your kind notice.

As our institute is affiliated to JNTUH, we have to bring the outcome of the feedback to the notice of the university and consideration to take necessary action. The University may incorporate at a suitable level as deemed fit.

In this regard, we are here with submit the following information related to reinforce the academic performance, curriculum and syllabi to meet the industry 4.0/Knowledge 4.0,

S. No	Subject/Technology/Concept	Course / Department
1	Natural Language Processing using Python	B. TECH- CSE
2	Introduction to Artificial Intelligence	B. TECH-ECE
3	Speech Processing	B. TECH-ECE
4	Object Oriented Analysis and Design	B. TECH- IT

To fulfill the requirements, our institution is equipped with adequate human and physical infrastructure to meet the industry 4.0. In the present circumstances, we are planning to extend ICT facilities such as projectors, multimedia etc. for the coming academic years with enrichment of the curriculum and syllabi may incorporate the above concepts / recent technologies.

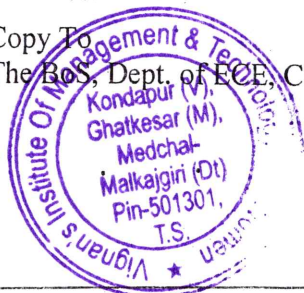

These technologies and new subjects on industry 4.0 would certainly enable the majority of the engineering graduates for employment opportunities and to build their career further.

In this regard, consider our request and take initiative to introduce the above-mentioned technologies and courses as part of JNTUH curriculum as deemed fit.

Thanking You,

Yours faithfully,
