Report on "Healthy Food "

NSS unit of VMTW conducted an Awareness Program on "Healthy Food " on 9th January at ZPHS ,Kondapur. In this program, students have explained the importance of healthy diet, and to avoid the malnutrition and dehydration of people.

Students advised people that good hydration and nutrients contained food contributes to physical and mental good health. They further claimed that Nutrition and hydration are essential for health and quality of life. Food plays a vital role in maintaining hydration by replenishing lost sodium, electrolytes and amino acids while eating also encourages fluid consumption by triggering thirst. Poor practice in nutrition and hydration care can lead to serious and avoidable harm to society health and wellbeing.

Report on Drawing Competition "A Spectacular Children's Day"

Drawing Competition is held by students of VMTW at Edulabd ,ZPH School on 14th November 2019. Drawing and Craft Competition is good for a child because it is both fun and pushes the child to learn new things. It is no wonder that participating in competitive sports is beneficial. Apart from math and science contests, there are also very popular art and drawing competitions for kids can participate and learn a lot.. Students are motivating young artists and assisting them in developing their creative talents by exposing them to current talent in the area in our students.

Report on Awareness Rally on " Fight against POLIO "

To create awareness on polio NSS unit of VMTW organized an awareness rally at Kondapur village, on 24th october on occasion of World Polio Day. Students carried banners and placards to spread awareness about eradication of polio. The rally passed through the locality of Aushapur. All the students ensure to create awareness that not a single child below the age of five years was left out without having polio immunization.

Some of the students in the rally even explained to the people directly about its consequences on life and the importance of having a polio vaccination during childhood. They have stated how a better tomorrow will be if every child (below 5) of present generation and future generation is vaccinated for polio and they got a good response from the locality.
