**Report on "Shaping tomorrow: Girl leading Today"**

An awareness program on "Shaping tomorrow: Girl leading Today" is held on 10.04.2021 at Edulabad village, ZPHS scheduled create awareness on girl child education in the society. The program started at 11 a.m. About 150 took part in this programme. students have explained an educated girl can educate their entire family. For the improvement of Indian society or the complete world, girls should be well educated. On some days for the development of Indian and India society girls are working better.

The programme was meant for educating the girl students who do not get proper education. Some issues like gender discrimination, female foeticide, empowerment of women, sexual harassment etc. were also explained in the programme. But the main focus of the programme was on the need of proper education in the life of girl children in rural . The guardians were made conscious of the value-based education for their girl children.. In short the entire programme was a great success.

### Report on "Awareness program on "Communication Skills"

In this program, students have explained the importance of communication skills and conducted competition among students through debates. They advised students to communicate in English language thus improving good communication skills. They explained about effective communication. There's always room to keep learning, growing, and developing our talents. This is why we always need to be continuously developing this skill. The benefits of having good communication skills are enormous and will have a positive influence on both students personal and professional life.
