Sub: Permission for an Industrial Visit - Reg.

Dear Sir,

We are one of the 8 well reputed engineering institutions under Vignan Group of Institutions, situated in Kondapur about 15kms from city of Hyderabad. We are always ranked within first 10 ranks in JNTU(H). We have B.Tech. and M.Tech. courses in many branches of engineering, including Electronics and Communication Engineering and Computer Science Engineering. We would like our students to get exposed to industrial environment and more importantly industry practices, which would help them, upon their entry into any industry, to get set in the industry environment faster and deliver their jobs efficiently.

We wish to organize an Industrial visit to NFC, for about 120 students in sequential slots, on your convenient dates, during the 3<sup>rd</sup> week of September, 2018. We understand that NFC is on the forefront to nurture the students of the nation and would play a vital role in contributing to their knowledge. We wish to get an opportunity for our Women engineers to visit your organization and understand real-time entrepreneurial activities. We wish to arrange this visit for our III B.Tech., CSE students.

We assure you that we would not disturb your regular work / production and conduct our students with utmost discipline. We anticipate a positive response for the visit.

Thanking You,

Yours Sincerely
