Shri A Rajarajan,
Director of Satish Dawan Space Center (SDSC).
SHAR, Sriharikota, Nellore Dist-524124

Sub: Permission for Industrial visit —Reg.

Dear Sir,

We are one of the 8 well reputed engineering Institutions under Vignana's Group of Institutions, situated in Kondapur about 15kms from city of Hyderabad. We are always ranked within first 10 ranks in JNTUH. We have B.Tech. Courses in many branches of engineering, including ECE and CSE. We would like our students to get exposed to industrial environment and more importantly industry practices, which would help them, upon their entry into any industry, to get set faster for the industry environment and deliver their jobs efficiently.

We wish to organize an industrial visit to SHAR, during the 2nd week of March, 2022. We understand that SHAR is on the forefront to nurture the students of nation and would play a vital role in contributing their knowledge. We wish to get an opportunity for our women engineers to visit your organization and understand real-time entrepreneurial activities. We wish to arrange this visit for III B. Tech. Students on 8th & 9th of March, 2022. Request you to let us know the feasibility of the dates mentioned. Kindly accord permission for 152 students for a visit to your campus.

Thanking you.

Yours sincerely

Department of Computer Science and Technology

11-03-2022

NOTE

Sub: Report of Industrial Visit to "Satish Dawan Space Center" conducted on 09 March, 22- reg.

EVENT DESCRIPTION:

An Industrial visit has been organized by Department of Computer Science Engineering for III year Students on 09th March, 2022. The Main objective of the visit was to provide a technical Exposure to the students about Space Technology.

Totally 150 students of III year CSE of Vignan's Institute of Management and Technology for Women) Visited ISRO, SATHISH DHAWAN space center.

SESSION ACTIVITIES:

The students were accompanied by 4 faculty members .The buses with students have started from our college city office at 10:00 pm on 10/03/2022 and reached the ISRO campus at 10:30 am.

ISRO VISIT: Students visited ISRO and learnt about

- LCC (launching control centre)
- MCC (machine control centre)
- SLP(second launch pad)
- FLP(first launch pad)
- ISTRAC(ISRO telemetry tracking and network centre)

Forenoon session, we visited the space museum in the same campus the visit came to an end at 4:30 pm.It was informative, interesting and successful visit.

SATISH DHAWAN SPACE CENTRE (SDSC) or SRIHARI KOTA HIGH ALTITUDE RANGE (SHAR) is a rocket launch centre operated by Indian space research organization (ISRO). it is located in sriharikota in Andhrapradesh. The Sriharikota range has been choosen for its proximity to the equator and to use the rotation of the earth It is close to lake PULIKAT and it is about 100km north of Chennai and close to the BAY OF BENGAL.

We learnt about the computer system used in LCC for launch control. In MCC(machine control centre) is the focal point controlling vehicle There are 8 hold buttons at different places around the range in case of abnormalities in sub-systems, the hold button is used to terminate the count down . In case the abnormality has been resolved the first row is used to supervise to control

PRINCIPAL

Kondapur(V), Ghatkesar(M), Medchal-Malkajgiri(Dt)-501301
Telangana State

the operations on the vehicle various chiefs of operations are seated in these rows is computers are connected by Ethernet and fiber optics.

FIRST LAUNCH PAD (FLP) is the polar

satellite launch vehicle (PSLV). it is one of the 2 orbit launch pads at the site the other been the second launch pad. Unlike the UMBILICAL type this is a PEDESTAL type the whole tower moves away from the rocket just before the blast off.

ISTRAC (ISRO TELEMETRY TRACKING AND COMMAND NETWORK) is about the ground stations which are located at Bangalore, Lucknow, Mauritius, Sriharikota, Portblair Thiruvananthapuram and the deep space network stations.

Many Students said "WANT TO WORK IN ISRO" due to the inspiration. We expressed our thanks to the management of kits, principal, head of the department of ECE/CSE who permitted us to go on the visit, the faculty members who accompanied us and the officials who explained about the various departments on behalf of the students we request you to arrange more industrial visit for students which can practically train the students.
