Dear Mr. GANESH NAG

Greetings from Vignan's Institute of Management and Technology for Women, Ghatkesar!

It gives me immense pleasure to extend to you, a cordial invitation to share your valuable insights to our students on a few identified topics in Computer Science Engineering.

Now, more than ever, the emphasis is on Institute-Industry Interaction. As an Institute we are creating avenues to produce skilled and globally competent professionals. In our effort to produce proficient graduates and make them industry-ready, we are arranging for different types of interactions with the industry, such as Guest Lectures, Workshops, Conferences, Faculty Development Programs, Memberships in various Technical Forums and several other Technical Education Programs where the Industry Experts also are involved.

We request you to provide resource person to be a part of this synergy, by honoring our invitation to be a Guest Speaker/Trainer on **'Workshop on Android Application Development on 09/08/2017 to 11/08/2017'** and share your insights and give direction to the students in terms of application of knowledge gained.

We are sure that our program will be successful with your support and guidance.

Thank You

Regards
Mrs. V. Indrani, HoD, Dept. CSE

To: < vmtw.csehod@gmail.com >
   Good Morning Madam

First of all, I would like to thank you very sincerely for all the time.

All our workshops are career oriented and intendeds towards increasing the employability skills of engineering students. We can assure that you will find this workshop highly beneficial for all the participants. Mr. Intisar Menhdi will look forward to the Workshop.

Thank you

NOTE

Sub: Report of "Android Application Development" conducted on 09, 10 & 11 Aug, 15—reg.

A Three day workshop on Android Application Development has been conducted by Mr. Intisar Menhdi, Techfort from 09 August 2018 to 11 August 2018, at Vignan's Institute of Management and technology for Women, in order to increase the awareness of current trends of Technology. A total of 95 Students from CSE department were participated.

Day 1:

On the first day Mr. Menhdi gave an introduction class on Android Operating system in a world which is giving importance to the electronic gadgets. He also explained about the application of Android Operating System in various devices.

Day 2:

On the second day the speaker explained about the advantages of Android compared to any other operating system and also explained about the lightness of this OS which can be coded in an easy manner. He also explained about the structure and working behavior of the Android Operating System.
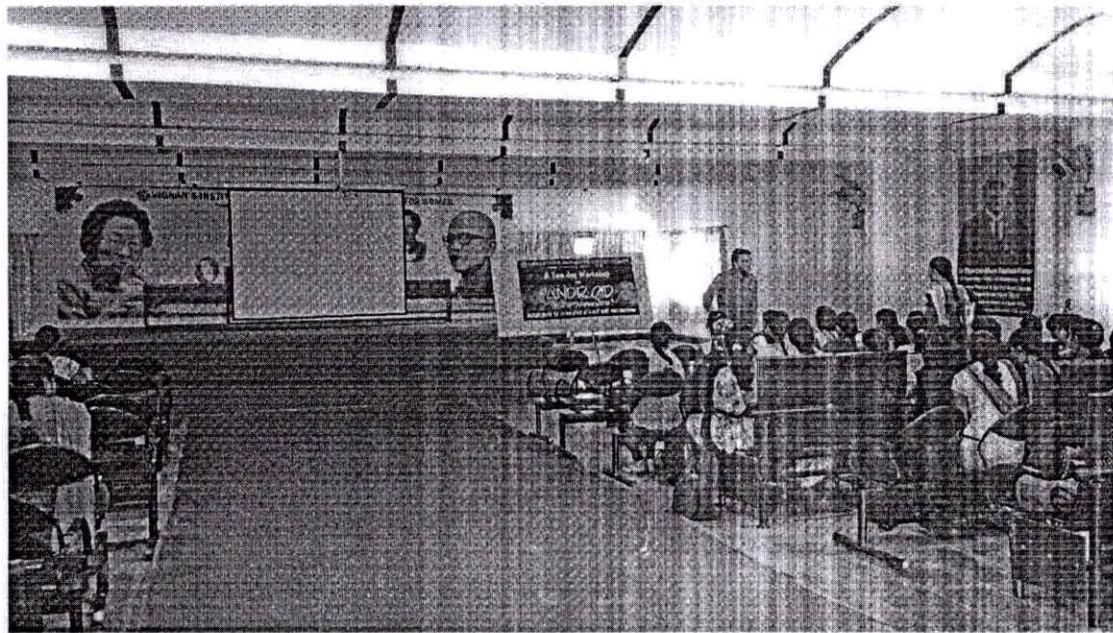

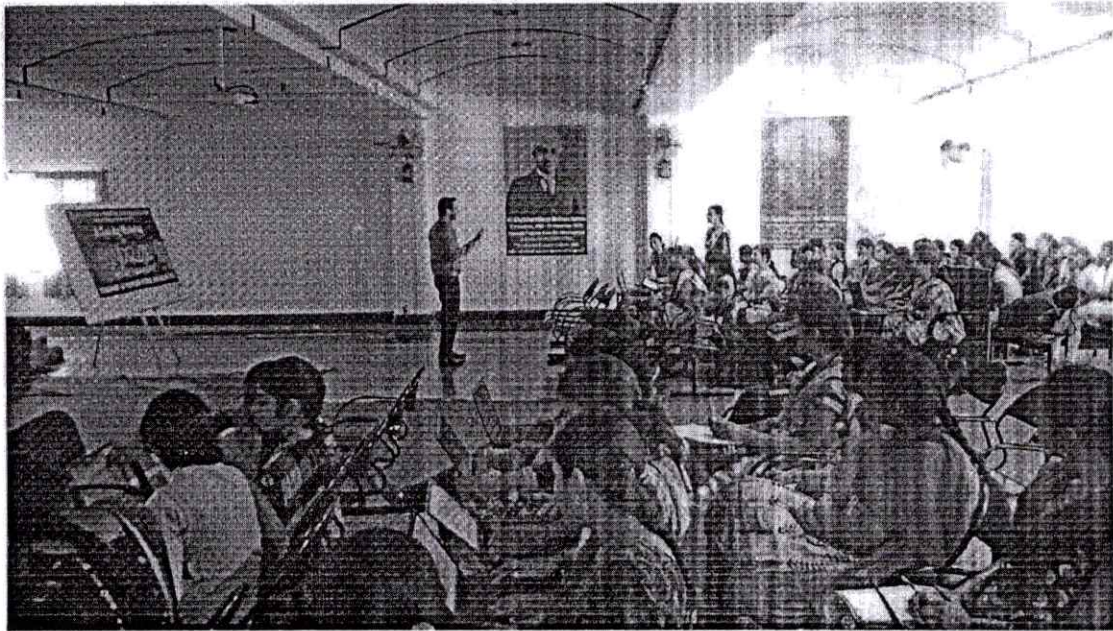

Day 3:

On this day students had a practical section in the laboratory and they familiarized the syntaxes Android Native Development Kit. The lab session in the presence of experienced person like Mr. Menhdi helped them a lot to understand the new language. The coding session was very interesting and helpful to the students who are planning to do their final year projects.

After attending this workshop students have expressed about their knowledge in Android Application coding for any Computer Project. All the students really appreciated the contents that were discussed; they realized that interactions can help them to improve their learning. On behalf of the students I request you to arrange more workshops for students to improve the knowledge of students and enhance the career opportunities

Mr.T. Srajan Kumar
Assistant Professor, CSE.

19-08-2017

NOTE

Sub: Report of "HTML, PHP and MySQL" conducted on 17, 18 & 19 Aug, 17—reg.

A Three day workshop on HTML, PHP and MySQL has been conducted by Mr. Sujit Majetty, Technical Trainer,COIGN from 17 August 2018 to 19 August 2018, at Vignan's Institute of Management and technology for Women, in order to increase the awareness of current trends in Web Designing. A total of 95 Students from CSE department were participated.

Day 1:

On the first day Mr. Sujit Manjetty gave a detailed class on HTML and the functioning of it as a back end programming language. The session was conducted as a combination of both the theory and practical. So that the students could understand about the syntax and the commands along with its usage at the same time.

Day 2:

On the second day the speaker explained about the PHP programming language. As it is a language which is widely used in web designing, the session will be helpful in their future too. The programming using PHP was easily understanding to the students since there exist an active interaction between students and the resource person.

Day 3:

The third was also packed with the practical section in the laboratory and they familiarized the commands in MySQL. MySQL is a language which is commonly used in any project as back end for data storage purpose. The lab session in the presence of experienced person like Mr. Sujit Manjetty helped them a lot to understand the new methodologies in the language.

After attending this workshop students have expressed about their knowledge in the 3 programming languages for any Computer Project. All the students really appreciated the contents that were discussed; they realized that interactions can help them to improve their learning. On behalf of the students I request you to arrange more workshops for students to improve the knowledge of students and enhance the career opportunities

Mr. T. Srajan Kumar
Assistant Professor, CSE.

NOTE

Sub :- Request seeking permission to conduct the workshop: reg

It is proposed to conduct a workshop on "Ethical Hacking" from 23-01-18 to 25-01-18 for the IV B.Tech CSE students. The details of schedule and budget are mentioned in Table 1 & Table 2 respectively.

Approximately 100 students will participate in this workshop as it is useful for the students in the current semester.

S. No.	Day	Schedule	Resource	Designation
1	1	Session 1: Introduction to Penetration Testing	Mr. Jagath Chaitanya	Business Analyst, IBM
		Session 2: Threat and vulnerabilities in a secure system, Cyber war	Dr. Charles Babu	Professor, VMTW
2	2	Session 3: Familiarizing tools used for penetration testing.	Mr. Jagath Chaitanya	Business Analyst, IBM
		Session 4: Familiarizing tools used for penetration testing continues…	Mr. Jagath Chaitanya	Business Analyst, IBM
3	3	Session 5: Performing penetration testing in the college network.	Mr. Jagath Chaitanya	Business Analyst, IBM
		Session 6: Cyber law, Certifications in Ethical hacking	Mr. Jagath Chaitanya	Business Analyst, IBM
		Table 1: Details of schedule

vasireddy <vmtw.csehod@gmail.com>   Mon, Dec 20, 2017, 10:07 AM
to Jagath Chaitanya Prabhala

Dear Mr. Jagath Chaitanya

Greetings from Vignan's Institute of Management and Technology for Women, Ghatkesar!

It gives me immense pleasure to extend to you, a cordial invitation to share your valuable insights to our students on a few identified topics in Computer Science Engineering.
Now, more than ever, the emphasis is on Institute-Industry Interaction. As an Institute we are creating avenues to produce skilled and globally competent professionals. In our effort to produce proficient graduates and make them industry-ready, we are arranging for different types of interactions with the industry, such as Guest Lectures, Workshops, Conferences, Faculty Development Programs, Memberships in various Technical Forums and several other Technical Education Programs where the Industry Experts also are involved.

We request you to be a part of this synergy, by honoring our invitation to be a Guest Speaker/Trainer on 'Workshop on Ethical Hacking from 23/01/18 to 25/01/18' and share your insights and give direction to the students in terms of application of knowledge gained.

We are sure that our program will be successful with your support and guidance.

Thank You

Regards
Mrs. V. Indrani, HoD, Dept. CSE

  Good Morning Madam

First of all, I would like to thank you very sincerely for all the time.

I am happy to accept your Invitation. First, let me thank you for inviting me to this significant event of your College. I am delighted and honored at being chosen to share my knowledge to your students. I look forward to the conference.

Thank you

Jagat Chaitanya Prabhala

Senior Data Scientist Lead ,

IBM,Hyderabad, Telangana , India

Jagath Chaitanya Prabhala has nearly Ten years of industry experience predominantly in machine learning and consulting. He specializes in creating Blue Ocean for the customers with the support of Data Science.

He has made significant contributions by executing several successful Data Science projects across various domains for several B2B and B2C companies. He has headed large technical teams consisting of Data Scientists & Software Engineers at many giant consulting & product firms. He was a chief architect of multiple smart decision support platforms. While working with Global Analytics he has built a voice based fraud detection system and filed a patent for the same.

- He is well versed with Machine Learning, Mathematical Modeling, Operations Research, Big data & ML platforms.
- He quickly adapts to changing technologies and he is good at spotting the right problem to solve for a greater business impact.

Interests:

Supervised, unsupervised, semi-supervised learning, reinforcement learning, Speech mining, NLP, text mining, structured and unstructured data mining, optimization techniques, Ethical Hacking, game theory and applications to solve complex business problems

Experience:

- He works as a Sr Data Scientist at IBM from past 3 Years
- Works as Assistant Vice President – Data Science Xchanging from May 2015-sep 2015
- Works as Senior Manager-SME at Tata Consultancy Services from Aug 2013-May2015
- Sr.Manager-R&D Global Analytics India Pvt. Ltd from Jun 2011-jul 2013
- Sr Analyst at Novartis Healthcare Pvt. Ltd from Nov 2009-jun 2011

25-01-2018

NOTE

Sub: Report of "Ethical Hacking" conducted on 23, 24 & 25 Jan, 18—reg.

A Three day workshop on Ethical Hacking has been conducted by Mr. Jagath Chaitanya, Business Analyst, IBM from 23 January 2018 to 25 January 2018, at Vignan's Institute of Management and technology for Women, in order to increase the awareness of current trends of Technology. A total of 90 Students from CSE department were participated.

Day 1:

On the first day Mr. Manish Jain gave a detailed class on the importance of Cyber Security and the various threats and vulnerabilities in the electronic gadgets that we are using. He also explained about the international issues and the cyber war that can become a huge threat to data integrity.

Day 2:

On the second day the speaker explained about various tools used by the hackers to extract data from the devices. For making use of those devices an in-depth knowledge about the networking was needed. So he explained some of the core networking topics too. But as a students have limitations to use various hacking tools, the class mainly concentrated in the issues related to information security.

Day 3:

The third was also a practical section with a special permission from the college system admin to extract information from college website through certain hacking techniques and tools. He also explained about the legal issues behind performing hacking techniques without proper certifications

All the students really appreciated the contents that were discussed; they realized that interactions can help them to improve their learning. On behalf of the students I request you to arrange more workshops for students to improve the knowledge of students and enhance the career opportunities

Mr. T. Srajan Kumar
Assistant Professor, CSE.
