Dear Rajaniprashanth,

Matrusri Engineering College

Greetings from Education Matters.

I am emailing further to the personal meeting my colleague Mr David Fallon and Myself had with you.

As discussed we look forward to organising a seminar titled "International Study and Work Opportunities" for the final year students of your college. The session will be delivered by Mr David Fallon- Executive Director of International Relations and myself on 24th Jan 2019 @10.00 AM.

In his previous role Mr Fallon worked as an Education journalist in the Irish Radio and Print Media and as a TV presenter

40 years where he was privileged to interview notable people such President's Clinton. Nelson Mandela and Sarkozy and sports personalities like Michael Schumacher (F1). Tiger Woods (Golf) and Michael Johnson (Athletics). Mr Fallon recently took up the position of Executive Director of International Relations for Education Matters. His main role is working between Irish and Indian education institutions and to establish a proposed India-Ireland Education and Careers Forum and to spread a word about Ireland's economic development, need for manpower, study and work opportunities among young Indian students. We work closely with world class Irish institutions such as TCD and UCC to name a few.

We will require 45 Minutes to one hour. Our presentation with cover highlights of different study destination, details of qualifying exams, courses and universities, part time and post study work opportunities, scholarships and application processing.

Education Matters as you are aware is a leading professional international education consulting company established in 2003. We apply an inspirational approach to the world of learning, successfully integrating the process of education
