Principal's Message

Dear Parents,

Congratulations! It is with great pleasure and a wonderful sense of accomplishment, that I reveal that VMTW has been NBA accredited until year 2022. It has been a highly exciting and accomplishing academic year 2018-19, with an excellent record of both Academics and Placements. This would have been impossible without your excellent cooperation. I would also like to acknowledge the efforts of every student who has contributed to achieve this milestone through extraordinary effort!

I am energized and deeply committed in making a positive difference in the lives of your wards by supporting high academic success and placement expectation. We have addressed the College culture and set high standards to improvise the Technical education. We have procured and installed latest equipment, and have established digital classrooms, to provide broader scope for learning and also as we believe that knowledge is much beyond the syllabus. We have also been doing great job in the area of Internships and Placements.

It is heartening to note that over 94% of students have been offered in well established organizations. Our dedicated academic staff has put in many hours of professional learning, planning and preparation for the research work to initiate In-house innovative projects for the students. Our departments have published more than 100 new project ideas. Students have also presented their project ideas in Technical conferences and are well appreciated. We further have plans to organize sessions for higher technical learning, soft skills and personality development for all the batches.

In this regard, it organises Campus Recruitment Training (CRT), internship and career counselling program.

Campus Recruitment Training (CRT)

This program is designed to aid candidates in their preparation for recruitment through on/off Campus Drives. Students entering their final year of engineering studies or currently pursuing their final year can make use of this program to get trained to deliver their best in the selection processes of organizations such as Amazon, Raukuten, TCS, Infosys, Wipro, TechMahindra, Accenture, HCL etc. The participants will be trained in the following areas:

I. Aptitude Tests (Verbal, Reasoning, Quantitative)

2. Technical Training

3. Group Discussion Process

4. Interview Process (Both HR & Technical Round)

On the whole, the goal of the Campus Recruitment Training programme (CRT) is to develop what is deemed as the KSA quotient i.e., Knowledge, Skills & Aptitude base of the second, third and fourth year students and enable them to face the multiphase selection process during campus interviews.

CRT is offered for students at various phases from second year B.Tech. T&P Cell of Vignan's Institute of Management and Technology for Women, has devised a comprehensive training module comprising sessions on building Quantitative Reasoning and Verbal aptitude, Technical training in C, C++, JAVA. The Training also includes regular and specific CRT.

Employability Skills Training

Employability Skills programme is a part of the regular academic calendar which is designed to train the final Year B.Tech students in technical and aptitude skills. The training is imparted by both in-house team and external faculty as well.

Regular and Summer CRT

In addition to the Employability Skills programme, students are trained intensively throughout the academic year and during summer break. The training aims to develop advance level Quantitative, Aptitude, Verbal, Technical and Soft Skills of the students and the training, provides practical exposure to the students by attending mock tests, mock interviews and interactions with the industrial experts.

Company Specific CRT

In addition to the Summer CRT programme, the Cell conducts specific training for bright students to get placed in global Companies with attractive pay package. The training is offered by the external experts from the reputed training agencies.
