Others saw the problem,  
He found the solution.

The difference between the dreamers and innovators is that a dreamer just dreams and does nothing to realize it, while an innovator creates his own path to realize his ideas. That streak of originality is the distinct quality that makes them a breed apart from the mere mortals.

About us:

VIGNAN's Institute of Management and Technology for Women, is the brainchild of Dr. L. Rathaiah, Chairman, was founded in 2008, with four branches of Engineering to achieve Women Empowerment.

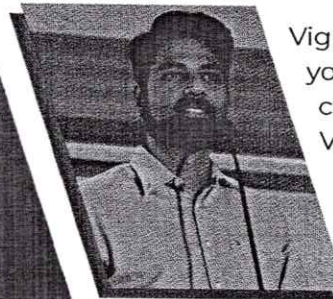

MTW is an exemplary institution of higher learning with a mission of pursuing excellence in education and research. The institution has finest facilities for B. Tech. & M. Tech. with accomplished faculty and world class facilities with hostel set on a sprawling area of 22 acres.

## VISION

To empower female students with professional education using creative & Innovative technical practices of global competence and research aptitude to become competitive engineers with ethical values and entrepreneurial skills.

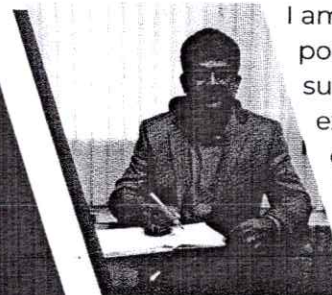

## MISSION

To impart value based professional education through creative and innovative teaching learning process to face the global challenges of the new era technology. To inculcate research aptitude and to bring out creativity in students by imparting engineering knowledge imbining interpersonal skills to promote innovation, research and entrepreneurship.

Vignan with its inherent capability to capture the pulse of youth has grasped their aspirations, speed and intellectual capabilities and tuned its curriculum to fulfill their needs. Vignan provides world class training in transferring subject, knowledge, communication and team working skills in learning centered fashion and enables its students to face the global arena with confidence.

- Mr. B. Shravan, CEO

I am energized and deeply committed in making a positive difference in the lives of your wards by supporting high academic success and placement expectations. We have addressed the College culture and set high standards to improvise the Technical education. We have latest equipment in all labs, established digital classrooms to provide broader scope for learning and also as we believe that knowledge is much beyond the syllabus. Our Internships and Placements reflect in our success.

Dr. G. Apparao Naidu, Principal

# Why? VMTW?

One among the best technical women engineering college.

MoU's with reputed educational institutions, industries and corporates in India & abroad.

Career planning & guidance cell established to align academic efforts with the emerging industry trends.

All classrooms enabled with e-Classrooms.

NPTTEL, EDUSAT, SPRINGER, DELNET Facilities available in central library.

Active student chapters in IEEE, CSI, ISTE, IET, SAE.

Well organized teaching learning process with special emphasis for slow learners.

Wi-Fi enabled campus with 100 mbps, 24 hours internet and RO water facilities.

In house hostel and well established cafeteria.

## Courses offered in B.Tech:

**CSE - 180**  
Computer Science & Engineering

**CSE (AI & ML) - 60**  
Artificial Intelligence & Machine Learning

**CSE (AI & DS) - 60**  
Artificial Intelligence & Data Science

**CSE (DS) - 60**  
Data Science

**ECE - 60**  
Electronics & Communication Engineering

**IT - 60**  
Information Technology

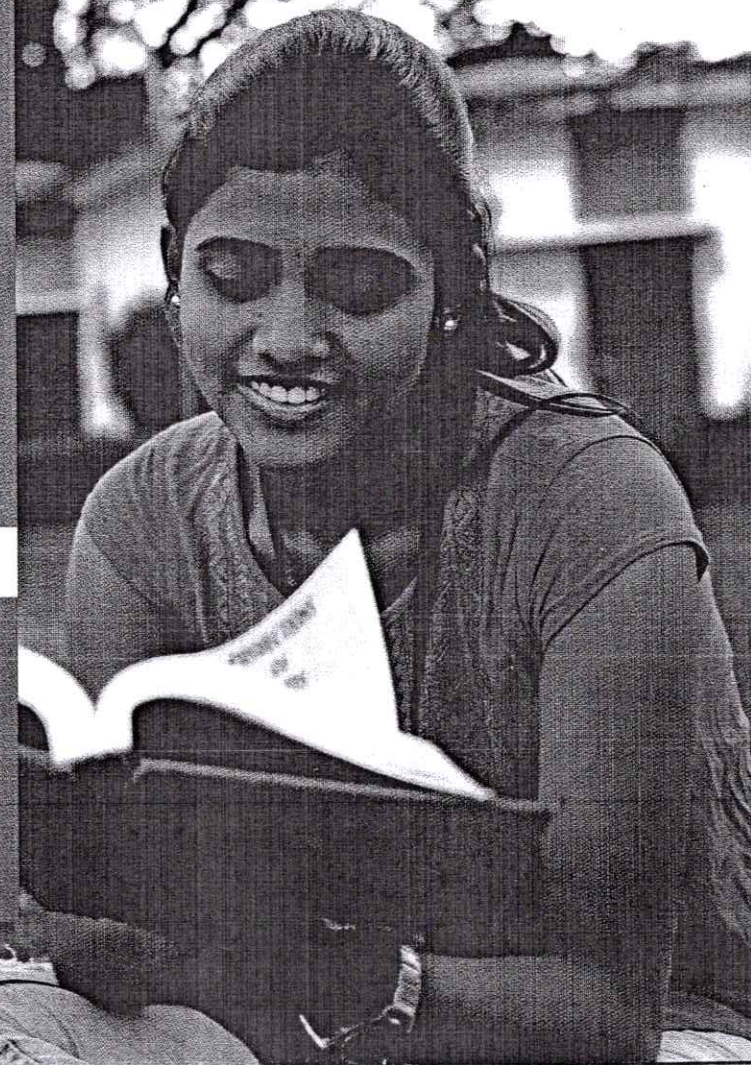

## Courses offered in M.Tech:

**M.Tech - VLSI Design - 09**  
Very Large Scale Integration - Design

**M.Tech - AI & DS - 24**  
Artificial Intelligence & Data Science

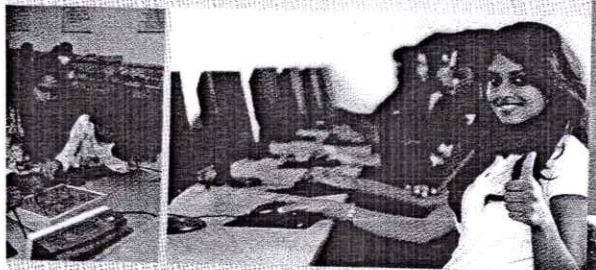

## Library Facilities

standing Library of VMTW with an elegant structure, ng of around 23,836 volumes with 2826 titles and 33 149 e-Journals. Digital Library Facilities with more 0 Video Lectures from expert IIT Professors, online Journals and special Books for Competitive exams , GATE, GRE and TOEFL.

## Laboratory

facilitates unparalleled laboratories in each ment as per the requirements of JNTUH and Some of the air-conditioned Labs include r Centers, English Language lab, etc.

## Digital Classrooms

classroom is where a physical classroom extends ital space. A digital classroom refers to a that is fully immersed in technology. These s rely on educational apps and websites to udent learning.

## Green Campus

A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind.

## Industry Interaction

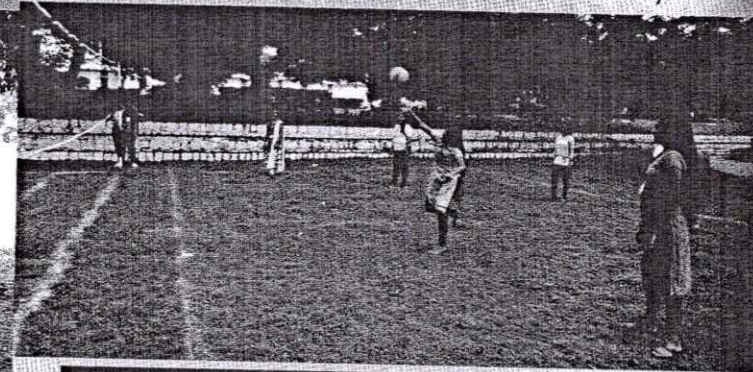

Industry interaction with institute is regarded as the part of the curriculum as it gives students an insight into the regular, internal workings of a company. It is a known fact that just theoretical knowledge is not enough for making a professional career.

## Sports & Extra Curricular

The students are well-trained and groomed in a commendable manner in various sports and games by expert coaches / Trainers. Consequently, several students have come out with great full titles.

Students are encouraged to actively participate in Sports, Cultural and Literary Programmes and at All India Level Quiz competitions and Technical Events, College Festivals, Freshers, Farewell & Women's Day.

## Hostel Facility

- Contemporary built fully air-conditioned 100 bed Girls Hostel, situated in the College Campus.
- 350 bed capacity, spacious and well protected Non-AC Girls Hostel situated in the College Campus.
- Medical Facility and attendance to take care of students health, Internet Facility, TV and Projector Rooms, etc. Mineral Water facility with Water Coolers.

## Campus Placement Training Program

### Training Modules

#### 1st Year

Programming,  
Computer Fundamentals (IS & IT) + CRT  
(Quantitative Aptitude, Verbal, Reasoning, Essay Writing, Etc.)

#### 2nd Year

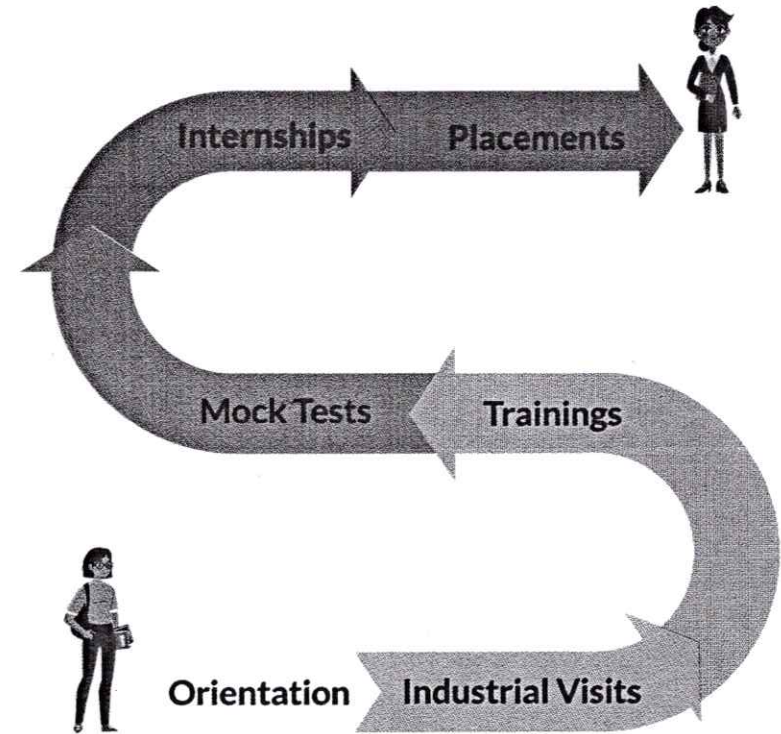

C++, JAVA, DBMS (MySQL), Basics of Python + CRT

#### 3rd Year

Web Technologies (HTML 5, CSS 5, CSS 3, Bootstrap, JavaScript, jQuery) & Python or Trending Technology + CRT

#### 4th Year

Company Specific Training -  
(based on the companies requirement)

## Our Training Partners

I'm Preethika, VMTW with its great academics and progressive learning programs helped me get placed in four companies which includes Wipro, Pwc , DXC Technology, and HCL Technologies through college placements. Our college has a very friendly and helpful environment which helped me to become a better version of myself. The faculty and Placement officer were very supportive and

never failed to give their best to make my career successful. I'm blessed that I have graduated from this college in the stream of computer science.

I'm Saujanya from CSE. VMTW believes in quality education. The college always thinks about students first in order to bring out their hidden colors/abilities. I've been placed in top companies such as Halliburton and DXC. This was done only with the efforts and support given by the placement officer. The placement cell is always endeavoring to make sure all the students get the best. With the combination of experienced faculty, upgraded campus and a striving placement cell, the students are assured to become better versions of themselves and get the best for their career.

I'm Reshmi Akshitha, had recently completed my course of study in VMTW. I'm in a fair position, VMTW is a superlative college for those who want to enjoy their college life to the fullest. The curriculum was pretty updated and was specifically curated. I learned a lot and the curriculum made us capable enough to deal with the day-to-day challenges. Also, the curriculum provided us with a strong analytical foundation to us in core educational areas of management and inculcated a strong character in our personality, so that we can adapt to the corporate world. The faculty was pretty accessible and supportive throughout our course.

**Placements:** From the 6th semester, you will be eligible to attend campus Interviews in most of the companies. The popular companies like CTS, TCS, Wipro, Accenture, Infosys visit the college, and your knowledge speaks here. And there are some core and product based small companies also they hire the students from all branches 90% of the student's will be placed according to their knowledge and talents every year in VMTW.

I'm Sandhya, graduated from VMTW. It's the best decision I made till now. I entered the campus with zero expectations. Faculty and management are always supportive and creates a friendly atmosphere and encourage each student towards skill development.

Coming to placements I'm proud to be a part of a flow of companies hiring. It's the deciding phase of every graduating student to entry into corporate world. In VMTW we acquired most of the skills and got placed in most reputed organizations. Thanks all for making 4 years beautiful and productive.

I'm Shivani, VMTW has helped me very much in four years of engineering in getting placed in three companies like Cognizant, Mindtree, PlanetSpark to have a great career. Our college has a peaceful environment & good infrastructure facilities.

I studied in Computer Science and Engineering department and we get best quality of teaching in our college. About the placement, Firstly our TPO sir had a major role in guiding the students during placements. Maximum students have been placed and more than half get selected with good salary package. And all the facilities of training and placement cell is very helpful to be graduated from VMTW.

I, P. Neelima, would like to express my sincere gratitude to VMTW for helping me at each and every step of my professional life. Even in the pandemic situation we have successfully completed our B.Tech virtually (Yes the world is digitalized and we made it successful). I am from an Electrical background who dreamt of getting a job in top most MNC. And today, yes! my dream has come true just because of the best training from our college and by the best supporting and encouraging placement officer. Besides that, this college gave me sweet memories, faithful friends and a lot of confidence to face the challenges. Thanks to VMTW.

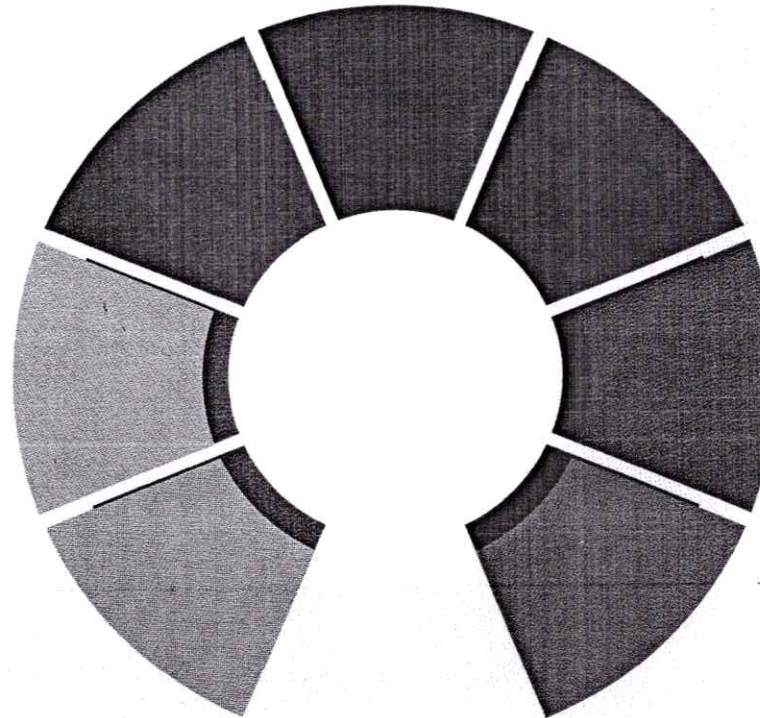

I'm Kulsum Nayyar, immensely proud to be the part of Vignan, the faculty, teaching process, schedules are absolutely unique and we had excellent experience. As we were the face of Vignan, we strongly welcome our juniors with pleasure to learn, grow, and have a great exposure ahead as we had it. I really want to thank our Principal, teaching staff and my placement sir for being with us each and every moment, for supporting us, monitoring and teaching us the right path.

Special thanks to our TPO sir (Mr. Satish) who made us shine in this world. He is the one who supported us every time even when we were down, He is so polite, humble, friendly and talented. Sir gave us number of opportunities to prove ourselves and helped us in those as well to shine. I'm glad that we had such a great placement officer who have bought huge offers for students to prove themselves.

Our Vignan faculty are talented and experienced, they rose us in a manner where students enjoy their learning and have great experience.

# **Training and Placement Cell**

## **Academic Year 2020-2021**

Vignan's Institute of Management and Technology is an exemplary institution of higher learning with a mission of pursuing excellence in education and research. The institution, with their diverse and dynamic community of about 2000 students offers a distinctive combination of some of the finest facilities EEE, ECE, CSE, IT. Since its inception in 2008, the institution has been striven to promote high standards in technical education to aid in the career building of many students who step into its portals. Through diverse programs and updated curriculum by imparting industry exposure and hands-on skills, VMTW trains its students into competitive and global professionals. All the departments are supported by a good combination of young and senior faculty with a rich research, teaching and industry background. The state of the art laboratories and smart class rooms make it one of the most preferred institutions for the aspirants of engineering studies.

## **About the Training and Placement Cell**

Training & Placement Cell of Vignan's Institute of Management and Technology for Women is in always ahead in the forefront of activities, bringing corporate close to the campus and encouraging them to establish facilities to cater to the needs of the students from the various backgrounds. It plays a pivotal role in counselling and guiding the students for their successful career, which is a crucial interface between the stages of completion of academic program of the students and their entry into the job market. The Training and Placement Cell always strives to reach the expectations of the stake holders' i.e. students, parents and employers who have strong empathy and faith in the institution. The institute has been maintaining consistent placement record of 85% in reputed companies with attractive pay packages.

Training and Placement is fully equipped with excellent human resources and excellent infrastructure. The Cell has Head Placement, Technical Trainer, and Asst. Placement Officer, internal faculty of Verbal, Soft Skills Trainers and Department Placement Coordinator.

In addition to the human resources the cell has well established with following infra structures:

- 5 placement cabins with high speed internet with 150 Mbps online and offline drives
- One seminar hall with seating capacity of 300 members, LCD projector and internet facility
- A separate room to conduct Group Discussions
- Separate cabins for Head Placement Officer and remaining team members.

### **Activities of Training & Placement Cell**

Training and Placement Cell is providing exhaustive tailor made training programs and conducts on-campus and off campus placement drives to place the students in global IT-Non IT service companies. In this regard, it organises Campus Recruitment Training (CRT), internship and career counselling program.

### **Campus Recruitment Training (CRT)**

This program is designed to aid candidates in their preparation for recruitment through on/off Campus Drives. Students entering their final year of engineering studies or currently pursuing their final year can make use of this program to get trained to deliver their best in the selection processes of organizations such as Amazon, Raukuten, TCS, Infosys, Wipro, TechMahindra, Accenture, HCL etc. The participants will be trained in the following areas:

- I. Aptitude Tests (Verbal, Reasoning, Quantitative)
2. Technical Training

### 3. Group Discussion Process

### 4. Interview Process (Both HR & Technical Round)

On the whole, the goal of the Campus Recruitment Training programme (CRT) is to develop what is deemed as the KSA quotient i.e., Knowledge. Skills & Aptitude base of the second. third and fourth year students and enable them to face the multiphase selection process during campus interviews.

CRT is offered for students at various phases from second year B.Tech. T&P Cell of Vignan's Institute of Management and Technology for Women, has devised a comprehensive training module comprising sessions on building Quantitative Reasoning and Verbal aptitude, Technical training in C, C++, JAVA. The Training also includes regular and specific CRT.

#### **Employability Skills Training**

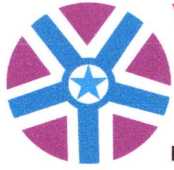

Employability Skills programme is a part of the regular academic calendar which is designed to train the final Year B.Tech students in technical and aptitude skills. The training is imparted by both in-house team and external faculty as well.

#### **Regular and Summer CRT**

In addition to the Employability Skills programme\_ students are trained intensively throughout the academic year and during summer break. The training aims to develop advance level Quantitative. Aptitude. Verbal\_ Technical and Soft Skills of the students and the training, provides practical exposure to the students by attending mock tests. mock interviews and interactions with the industrial experts.

#### **Company Specific CRT**

In addition to the Summer CRT programme, the Cell conducts specific training for bright students to get placed in global Companies with attractive pay package. The training is offered by the external experts from the reputed training agencies.
