The students took part actively and came forward to participate in group discussion on eco Ganesh. Ganesh Chaturthi is a festival held all over India to honor Lord Ganesh. These days, the festival is becoming more eco-friendly. Most Ganesh murtis are made of Plaster of Paris. After Ganesh Chaturthi, they are put in water, which is bad for the water. During Ganesh Chaturthi, a lot of people are making eco-friendly idols.

Independence Day celebrations

The principal addressed to the students that i want you to know that this freedom is hard won by our great freedom fighters when they had not only shed their blood, but also sacrificed their lives and family. So, we should value this freedom to the utmost and never take it for granted. We celebrate this day because it was a historic moment for all the Indians, but amidst all this celebration there is something that ought to be done first and foremost, i.e., paying homage to our great freedom fighters, such as Mahatma Gandhi, Shaheed Bhagat Singh, Subhash Chandra Bose.
