Program on Vocabulary Building

Vignan's Institute of Management and Technology for Women (VMTW) is conducted Program on Vocabulary Building on 07th January 2020. VMTW is running a programme to help kids expand their vocabularies, and the students have been really engaged. It is widely acknowledged that fluency in reading, writing, and listening depends on one's familiarity with the meanings of words and one's ability to quickly and easily retrieve that knowledge. Therefore, students' ability to comprehend the language benefits from their vocabulary knowledge. Students' ability to communicate and understand the world around them depends on their facility with language.
