Independence Day celebration on 15th August 2022

Vignan's Institute of Management and Technology for Women (VMTW) is celebrated Independence Day celebration on 15th August 2022. The students and faculty gathered in the ground. Flag hosting started at 9.30 am. The principal addressed to the students that I want you to know that this freedom is hard won by our great freedom fighters when they had not only shed their blood, but also sacrificed their lives and family. So, we should value this freedom to the utmost and never take it for granted. We celebrate this day because it was a historic moment for all the Indians, but amidst all this celebration there is something that ought to be done first and foremost, i.e., paying homage to our great freedom fighters, such as Mahatma Gandhi, Shaheed Bhagat Singh, Subhash Chandra Bose

Report of Program on Speaking Skills on 8th February 2022

Vignan's Institute of Management and Technology for Women (VMTW), conducted speaking skills program on 8th February 2022. VMTW has a programme to help people improve their speaking skills. Students take part in this programme and learn how important it is to communicate. Good communication helps students learn more by letting them ask appropriate questions and talk about things they don't understand. Effective verbal communication helps people become more social by making it easier for them to make new friends, which in turn helps them learn. People think that being able to speak well comes naturally. It's either there or it's not. But that's not the case. You can learn to speak in different ways.

Program On Writing Skills on 10th September 2021

Vignan's Institute of Management and Technology for Women (VMTW), conducted Program on Writing Skills on 10th September 2021. Students actively participate in VMTW's vocabulary programme, where they gain exposure to the value of writing. Writing about a topic is a frequent technique for teachers to gauge their students' grasp of the material, but the act of writing itself has been shown to boost students' memorization, connection-making, and synthesis skills.
