Awareness Program on Higher Education:

International education is an essential component of success in the modern world. The institute's objectives include promoting creativity, helping in the development of important multicultural qualifications, and supporting in access to different cultures and ideas:

- Motivate students to learn any fresh abilities they will need for going to an international university.
- Help students choose the universities, programmes, or courses that best match their profiles and resources, as well as the countries from where they may receive a global education.

Campus Drives:

The institute conducts Campus Placements Recruitment drives to offer job opportunities to any eligible students. Through Campus Recruitment, students are provided with the opportunity to build a future that is both safe and secure. Every year, a total of approximately 40 to 50 drives take place both on and off campus, which serves as an indicator of the placement opportunities available to students on campus.
